COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Commissioner for Patents:

In response to the Notice of Allowance dated April 4, 2007, Applicant elects to file a Request for Continued Examination (RCE). On April 23, 2007, Applicant conferred with the Examiner by telephone regarding references recently cited against co-pending applications. The Examiner suggested Applicant file an Information Disclosure Statement listing the references together with a Request for Continued Examination. Applicant thanks the Examiner for his suggestion and is filing the present Request for Continued Examination together with a Supplemental Information Disclosure Statement listing the references discussed, as well as additional references subsequently cited in the co-pending applications.

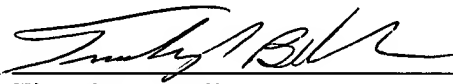

With regard to the Examiner's Statement of Reasons for Allowance, Applicant agrees the claims are allowable. Applicant, however, does not concede to the Examiner's characterization of the claims or the prior art. Furthermore, Applicant notes there may be reasons for allowance other than those put forth by the Examiner.
